

REMARKS

Applicant's representative wishes to thank Examiner Sun for the courtesies extended during the phone conference on April 13, 2005, discussing the dependency of claims 6 and 20. Claims 6 and 20 have been amended accordingly.

Further, claims 15 and 25 have also been amended to correct trivial errors. These amendments do not affect the scope of the claims as allowed, nor do they change the basis for the patentability of the claims. As the Examiner has authority to enter amendments submitted after Notice of Allowance of an application which embody merely the correction of trivial matters, Applicants request this amendment be entered without withdrawing the case from issue.

Claims 1-4, 6-18 and 20-28 are allowed pursuant to the Notice of Allowance mailed June 2, 2005.

Should the Examiner have any questions, comments or suggestions regarding the present Statement, Applicant's undersigned representative earnestly requests a telephone conference at (512) 867-8407.

Respectfully submitted,

James R. Bell
